Dear SMBC Parents -

In response to a suggestion and a request from a parent, I wanted to let you all know that I will be happy to have the club travel agent book your player with the team's coaches and chaperones.

Your player will be ticketed with them and travel with them to and from the hotel and the airport.

You will not be able to approve the fare in advance, and I will not be able to let you know the exact flight information before ticketing.

You would pay the fare by credit card directly to our travel agent, and you would be charged the same rate as the SMBC tickets.

If this is helpful to you, and you **would like SMBC to handle travel** for your son, please respond by email to ALL THREE of these email addresses:

smbcboys@aol.com

n.mardini@att.net

Karen@tiffanytravel.com

Let us know as soon as possible if you want to do this.

Sincerely,

Kathy Julian
